

Code of conduct

This code sets out principles and behaviours that the WattEV2Buy Community reasonably expects of buyers and sellers participating in online the Classified Section, EV4U.

Basic Principles

The Community expects buyers and sellers to:

- 1 Conduct themselves honestly and in good faith at all times.
- 2 Comply with all laws, including sale of goods.
- 3 Comply with WattEV2Buy's [terms and conditions](#).

Sellers agree to:

- Describe items fully and accurately and answer questions promptly.
- Respond to emails as soon as possible, and within two working days.
- Not subsequently spam previous buyers.

Buyers agree to:

- Respond to emails as soon as possible, and within two working days.
- Not engage in retaliatory feedback or behaviour.
- Not subsequently spam previous sellers.

Professional Motor Vehicle Dealers (sellers 'in trade') agree to:

- Comply with all relevant laws.
- Disclose they are selling in trade.
- Ensure goods are of acceptable quality, and draw attention to any defects.
