

Listing policies

It is your responsibility to ensure you are legally allowed to sell any items you list, this includes ensuring that the item doesn't infringe anyone else's rights.

You must also abide by the following listing policies:

- Items must be accurately represented and listings must be placed in the most appropriate category.
- The main photo on your listing (i.e the one that displays in search results and first on your listing) must contain the product you're selling.
- You may not offer to sell additional items outside of wattEV2Buy.
- Listings must be for the sale of an actual vehicle and must not be purely for advertising purposes including offering services.
- WattEv2Buy is a plug-in electric vehicle platform only, we do not care about gas-guzzlers or hybrid vehicle, nor do we allow such vehicles to be traded on our site.
- Listings should not include any contact details, except where asked for in the listing process.
- 'Keyword spamming' to manipulate search results is not allowed.
- All prices should be in the currency of the Country category where the vehicle will be traded.

wattEV2Buy reserves the right to remove any listings that are in breach of the [terms and conditions](#) or these listing policies.

wattEV2Buy also reserves the right to remove items off the website at its sole discretion.
